May 2017

## PRESIDENT'S MESSAGE

Veiled in this fragile filigree of wax is the essence of sunshine, tasting of grassy meadows, mountain wildflowers, lavishly blooming orange trees, or sagey desert plants. Honey, even more than wine, is a reflection of place. If the process of grape to glass is alchemy, then the trail from blossom to bottle is one of reflection. The nectar collected by the bee is the spirit and sap of the plant, its sweetest juice. Honey is the flower transmuted, its scent and beauty transformed into aroma and taste.

--Stephanie Rosenbaum

Soroptimist are also of a place. Soroptimist International clubs around the world serve their local communities by identifying needs and collecting resources of money and time to make their communities a better place. As Soroptimist International of Montclair/Inland Valley members, we serve the needs of our community by keeping in mind our SI of the Americas vision of ensuring "women and girls have the resources and opportunities to reach their full potential and live their dreams." This is why we support services such as Montclair Meals on Wheels and Holiday Food Baskets, and our own Holiday Gift Box Program in partnership with the Ontario-Montclair School District's Collaborative Services. We also focus on our shared SIA "Big Goal" of "investing in the dreams of one million women and girls through access to education by 2031." We invest in education and the future of girls and women through our partnership with Chaffey College's EOPS program to distribute our "Live Your Dream" scholarships at our annual Prism Award event, by partnering with Promise Scholars to reach 4,500 girls to increase their access to college and career options, by working with our libraries to host "Read-Ins" for our youngest learners, and by supporting the City of Ontario Recreation's G.I.R.L.S. program. As we prepare this month to distribute service funds raised through our 2016 Casino Night "Fall Fun-raiser," our shared vision and Big Goal will help us align our work with sister clubs around the globe.

**SUNSHINE CORNER**

*WELCOME TO THE MERRY MONTH OF MAY*

Several stories are passed around to show how the month of May was named. The most widely accepted explanation is that it was

named for Maia, the Roman goddess of spring and growth. Her name related to a Latin word that means increase or growth.

--Facts about May

### **OVITT COMMUNITY (Ontario) LIBRARY READ-IN**

Despite the clouds and threat of rain, the April 8 Library read-In at the Ovitt Family Community (Ontario) Library was a resounding success!

Event Chair, Milissa Checchi, gave the introductions and explained to the attendees about Soroptimist. The theme this year was "Diversity" and books were read that mirrored that theme.

The festivities were held in the cozy "Story Room", which was the perfect setting for Guest Readers "Soropti-Mister" Steve SI M/IV Member Kris Brake, and Youth Services Supervising Librarian Courtney Saldana. Courtney was a huge hit, reading selections for both younger and older children and ending the reading time with a "magic book" that required audience participation. After reading, the children were invited to decorate a character, enjoy a snack of juice and cookies, and then choose a free book to take home and keep. The crafted characters will be joined together to create a "Diversity Chain" that will hang in the Children's Library.

Among the SI M/IV attendees were Library namesakes Member Sue & "Soropti-Mister" Gary Ovitt, President Leslie Sorensen & Vice-President Virginia Riley manning the snack area, Members Pat Bascom & Natividad Vasquez-Silva, and "Sorpti-Kids" Jason Checchi & Sophie Silva assisting children at the craft table. Members Judy Briggs and Kris Brake assisted the children with choosing their books. By the end of the event, SI MIV served 50 children and adults. Thank you to everyone who assisted with the Read-in, we couldn't have done it without you! Courtney and Milissa are already planning next year's event. Hope to see you there!

### **APRIL PROGRAM MEETING**

Our Program Meeting Speaker for April was SI M/IV Monica Madrid-Familiari. Guest was Mindy Chavez, Coordinator, Montclair Community Collaborative.

Monica presented ideas and suggestions about including community partners in upcoming club projects, like our holiday shoeboxes. She talked about creating a community service umbrella (i.e.--Soroptimist Community Collective) with a mission and vision to include several club projects, while keeping in mind the SIA Big Goal--increasing our Collective Impact.

Mindy presented ideas on the holiday shoeboxes--how we can make them more uniform; easier for the Collaborative to sort and distribute; the need sometimes to unwrap boxes to see contents, etc. Mindy also gave ideas on items for the boxes--plush toys, socks, blankets for younger children and gift cards, movie tickets for older children.

After hearing Member input, ideas, questions, President Leslie suggested that this topic be further discussed at our beginning of the year planning meeting. Stay tuned.....

✓The modern holiday of **Mother's Day** was first celebrated in 1908, when Anna Jarvis held a memorial for her mother at St Andrew's Methodist Church in Grafton, West Virginia. St Andrew's Methodist Church now holds the International Mother's Day Shrine. Her campaign to make "Mother's Day" a recognized holiday in the U.S. began in 1905, the year her mother, Ann Reeves Jarvis, died. Ann Jarvis had been a peace activist who cared for wounded soldiers on both sides of the American Civil War, and created Mother's Day Work Clubs to address public health issues. Anna Jarvis wanted to honor her mother by continuing the work she started and to set aside a day to honor all mothers, because she believed that they were "the person who has done more for you than anyone in the world".

In 1908, the US Congress rejected a proposal to make Mother's Day an official holiday, joking that they would have to proclaim also a "Mother-in-law's Day". However, owing to the efforts of Anna Jarvis, by 1911 all U.S. states observed the holiday, with some of them officially recognizing Mother's Day as a local holiday, the first being West Virginia, Jarvis' home state, in 1910. In 1914, Woodrow Wilson signed a proclamation designating Mother's Day, held on the second Sunday in May, as a national holiday to honor mothers.

Although Jarvis was successful in founding Mother's Day, she became resentful of the commercialization of the holiday. By the early 1920s, Hallmark Cards and other companies had started selling Mother's Day cards. Jarvis believed that the companies had misinterpreted and exploited the idea of Mother's Day, and that the emphasis of the holiday was on sentiment, not profit. As a result, she organized boycotts of Mother's Day, and threatened to issue lawsuits against the companies involved. Jarvis argued that people should appreciate and honor their mothers through handwritten letters expressing their love and gratitude, instead of buying gifts and pre-made cards. Jarvis protested at a candy makers' convention in Philadelphia in 1923, and at a meeting of American War Mothers in 1925. By this time, carnations had become associated with Mother's Day, and the selling of carnations by the American War Mothers to raise money angered Jarvis, who was arrested for disturbing the peace.
