PRESIDENT'S MESSAGE

Definition of "Bee's Knees": an excellent or ideally suitable person or thing. Its current meaning dates from the 1920s, at which time a whole collection of American slang expressions were coined with the meaning 'an outstanding person or thing.' Examples included the "flea's eyebrows" and one that still survives--"the cat's meow. "

In this, my last message as President of Soroptimist International of Montclair/Inland Valley, I am reflecting on the work we have done together over the last year. Our SI M/IV Board are the "bee's knees"--always helpful to me and willing to support other club members in achieving our mission to improve the lives of women and girls through programs leading to social and economic empowerment. As we prepare to wrap up our Soroptimist year, I'd like to thank all our members who have attended our monthly meetings, program meetings, special events, and socials over the last year. Thank you to those who have stepped up and chaired events and service projects and members who have served on these committees. Thank you also to our members who make donations of goods and funds.

We could not do what we do without the many community members who have assisted us by attending our Prism Award Luncheon and Fall "Fun-Raiser" Casino Night--thank you all for your ongoing support. Thank you for helping us ensure women and girls in our community have the resources and opportunities to reach their full potential and live their dreams.

My final thank you is to Virginia Riley. She is outstanding in so many ways, doing so much to help our club run smoothly including the incredible amount of work she has done behind the scenes to support me over the last two years. Virginia is the 'bee's knees'!

Bee the Best You Can Bee"

President Leslie

SI EMBLEM vs. SIA LOGO

Soroptimist International of the Americas (SIA) recently made a decision to discontinue using the Soroptimist International (SI) Emblem in order to achieve SIA's branding goals.

At its January 2017 meeting, the SIA Board of Directors considered the alternatives, risks, rewards and consequences of their branding efforts. With the greater branding goals in mind, the Board is asking SIA's Regions, Clubs, and Members to discontinue using the SI emblem.

*-#-#

Why did the SIA Board make this decision? Having a consistent visual identity is essential to successful branding efforts, which affects SIA's ability to increase our recognition, recruit members and fundraise outside of our organization. In 2003-04, SIA made the decision to move away from using the SI Emblem. Several marketing firms had advised us that the SI Emblem is viewed as old fashioned and culturally insensitive (white woman with upraised arms). We then commissioned a professional graphic artist to design the "S" logo and encouraged its use throughout SIA. While many regions, clubs, and members have embraced the "S" logo, some still use the SI emblem as their main visual identifier. This conflicts with SIA's branding efforts and recognition goals.

Is the policy effective immediately? No. All regions, clubs and individual members are requested to phase out the use of the SI emblem no later than Dec. 31, 2019. We request that the SI emblem be removed from all print and digital materials and products, including but not limited to: websites and social media sites, newsletters, flags, and road signs. The SI emblem should be replaced with SIA's "S" logo in all cases.

Regions, clubs, and individual members have invested a lot of money in pins, road signs, banners, etc. with the SI emblem. Are we expected to replace them? SIA is sensitive to the fact regions and clubs have invested resources into materials and products with the SI emblem. This is why the SIA Board directed the phase-in period to using the "S" logo take place by Dec. 31, 2019--which is 2 1/2 years away. The Board is requesting that all materials and products displaying the SI emblem be replaced with those displaying SIA's "S" logo. Consistent branding will positively affect the ability to recruit members, attract corporate sponsors, and gain attention for our organization and programs.

Won't it be confusing at the UN for Soroptimists to be using two different visual identifiers (the SI emblem and the SIA logo)? Advocacy work at the UN is conducted under the banner of Soroptimist International and not the four federations. All Soroptimists who attend meetings and events at the UN are invited to do so under the banner of Soroptimist International.

Can we continue to wear our SI emblem pins? SIA respects the wonderful tradition of clubs and we should all be proud of being part of Soroptimist International. We also recognize many members enjoy wearing their SI emblem pins and the history they represent. We trust members to make their own decisions and SIA has no intention of monitoring whether members continue to wear their SI emblem pins. We hope members will commit to SIA's greater branding goals by wearing "S" logo jewelry--especially in public.

Will there be SIA "S" logo pins to replace the options with the SI emblem? SIA offers many pins featuring the "S" logo. SIA is working on designing new pins with the "S" logo to replace those that currently feature the SI emblem.

SUNSHINE CORNER

HELLO JUNE

June is the sixth month of the year according to Julian and Georgian calendars. The name of the month came from the Roman goddess Juno who was the wife of Jupiter. She was the goddess of marriage. This month is special because it has the longest day hours in the Northern Hemisphere and the longest night hours in the Southern Hemisphere. The birth flowers of June are roses and honeysuckles.

One of the fun events SI M/IV does a few times each club year is to host an informal happy hour/social in the "sincerity of friendship."

CHAFFEY COLLEGE DRESS FOR SUCCESS PROGRAM

In March/April, SI M/IV put out a call for donations of professional clothing to benefit the Career Center at Chaffey College. The Center held its 7th Annual Dress for Success event on April 20. We collected several bags of nice, gently used articles of clothing. Donors included: Eva Miller, West End Family Counseling; Judy Briggs; Sue & Gary Ovitt; Virginia Riley.

-#-

Hello Chaffey Community!

The Career Center would like to take a moment to thank all of you for your support at this year's Dress for Success event. A total of 241 students participated in the Career Closet and Alumni Panel. Students received clothing items to help dress appropriately for job interviews and heard stories from alumni in an effort to encourage and motivate students to achieve their career goals. The students were overwhelmed by the generosity of your donations. Here are some quotes from participants:

- Thank you for the clothes. I've never had clothes that are interview appropriate, but now I do. Thank you very much!"
- "Thank you. I never owned a suit jacket until today and a tie (not clip on).
- Thank you so much for the great donations! You don't understand how much this helps me and makes me feel better about interviewing next week!
- I appreciate the donations. It will come in handy for a job interview coming up. Please keep donating for students like me.
- Thank you. It's one of the kindest things a school can do for their students!
- Thank you very much for helping students with clothes that will encourage us to be more confident with interviews!
- Thank you so much. I really needed pants for my new job!
- Thank you for providing students with supplies to succeed in the future. I just graduated from nursing school as an RN and I don't have a lot of money and this helps a lot.

Thank you again for your support and donations. We will continue to accept donations throughout the year in preparation for the 8th Annual Dress for Success in Spring 2018.

Kristen Burleson, M.S., Career Counselor

-#-

Note: (Men's & Women's) Clothing donations are accepted year-round for the career closet so it's never too late. There was a great need for men's jackets so help is GREATLY appreciated. Please keep this project in mind whenever you clean out your closets. Contact SI M/IV Members Sue or Virginia--they will be glad to get your donations up to Chaffey College.

NOTABLE NOTES

✓ "No matter how busy you are or how stressed you are, there's always time to treat those around you with both courtesy & respect."

✓ **Congratulations** to Arlette's daughter--"Soropti-Kid" Sabrina who graduated from HS on May 31. Now, it's off to college! Sabrina was in 5th grade when she first volunteered to be our "Cat In the Hat" at Upland Read-In.

✓ The first **Father's Day** was celebrated in Washington state on June 19, 1910. A woman by the name of Sonora Smart Dodd came up with the idea of honoring and celebrating her father while listening to a Mother's Day sermon at church in 1909. However, it was not until 1972, 58 years after President Woodrow Wilson made Mother's Day official, that the day honoring fathers became a nationwide holiday in the United States.

✓ **FLAG DAY:** It was on **June 14**, 1777 that the Second Continental Congress adopted the Stars and Stripes as a symbol of America's fight for independence in the pursuit of freedom and liberty. For almost 250 years, the flag has represented the sacrifice of brave men and women who answered the call to defend and protect our nation. President Calvin Coolidge made this observation:

"We do honor to the stars and stripes as the emblem of our country and the symbol of all that our patriotism means."

"We identify the flag with almost everything we hold dear on earth. It represents our peace and security, our civil and political liberty, our freedom of religious worship, our family, our friends, our home. We see it in the great multitude of blessings, of rights and privileges that make up our country."

"But when we look at our flag and behold it emblazoned with all our rights, we must remember that it is equally a symbol of our duties. Every glory that we associate with it is the result of duty done."

Old Glory has guided and comforted countless soldiers, citizens, and school children through the best and the worst of times. Undoubtedly, each of us can recall an example of the flag that evokes strong emotions – in a parade, at a funeral for a loved one, on the battlefield, at half mast for a fallen leader, or over an embassy in a foreign land. It is a symbol of hope and courage.

As we celebrate Flag Day and Independence Day in the coming weeks, let's take time to hoist up, salute, and give our flag the respect and recognition it deserves.
