August 2017

PRESIDENT'S MESSAGE

While the Inland Valley has been "sweating it out" with the recent "heat wave" (hey, it is Summer!), Members of Soroptimist of Montclair/Inland Valley are off to a "cool and collected" start for the 2017-18 Club year. Lots of ideas for projects, fund raising, public awareness and membership were discussed at our annual planning meeting.

We are pleased to welcome new members--Cindy Coats, Amy Chang, and Zoe Siegel. What a "cool" way to start the club year!

In addition to continuing some favorite traditional and/or ongoing projects, we will add a year-round clothing collection in partnership with Chaffey College, and are working on streamlining and maybe expanding our Holiday Shoeboxes in partnership with the OMSD Collaboratives.

Fund Raising....well, next month is our Annual Fall "Fun-Raiser" Casino Night event. Along with the Planning Committee, Members are working hard at soliciting donations and collecting door prize items, inviting friends, relatives, and co-workers to attend and join in on the fun. With the support of our Community and "Soropti-Friends" we are looking forward to a successful event. Proceeds will benefit our Live Your Dream Award and other club awards and projects.

Committee Chairs are already planning some of our 2018 projects and events--Prism (Sue), Live Your Dream Awards (Leslie), Library Read-Ins (Natividad & Milissa), a Yard Sale, and more !! We also already have GWR District 1 Fall Meeting and Spring Conference dates on our calendar.

Myself, Milissa, Natividad, and Sue will attend the August 4-5 GWR Leadership Retreat. We are looking forward to learning "new stuff," hearing GWR updates, and interacting with members from other GWR Clubs. I'm sure we'll bring back lots of information to share.

So...we are indeed on our way to a "cool" club year, thanks to involvement and support from Members and our Community "Soropti-Friends." Thank You !!

"Promote Character through Service"

President Virginia

NATIONAL NIGHT OUT--August 1

National Night Out (NNO), celebrated since 1984, is sponsored by the National Association of Town Watch in the United States and Canada. NNO is observed annually on the first Tuesday in August.

NNO is an annual community-building campaign that promotes police-community partnerships and neighborhood camaraderie to make our neighborhoods safer, more caring places to live. National Night Out enhances the relationship between neighbors and law enforcement while bringing back a true sense of community. Furthermore, it provides a great opportunity to bring police and neighbors together under positive circumstances.

Millions of neighbors take part in National Night Out across thousands of communities from all 50 states, U.S. territories, Canadian cities, and military bases worldwide. Neighborhoods host block parties, festivals, parades, cookouts and various other community events with safety demonstrations, seminars, youth events, visits from emergency personnel, exhibits and much, much more.

Governor's Message

Dear "One Mission" Golden West Region Soroptimists!

Welcome to the 2017 Leadership Training Retreat! Thank you for stepping forward to offer your time, talents, and experiences to the success of our Soroptimist organization. Whether you take on a formal leadership position with your club or our Golden West Region, or you take on a mentor position to help others become successful leaders, your commitment is extremely valuable and respected by all of us.

If you were able to attend 2017 Spring Conference and/or see the Conference resources available on our GWR website, you'll know that you were encouraged to act on your will to make a difference in our communities. The "will to act" is extremely powerful, isn't it? We must keep ourselves in this state--the will to continue to think of ways to improve, and the will to take action to improve the status of women.

We need to overcome any hesitation to act, we must delegate to and train others, we must conduct and participate in meaningful meetings, we must measure our progress in short time frames so we know what we have accomplished and what we must still do, we must research women who are doing what we want to do and create a mentorship relationship with those women, we must be supportive of all women willing to lead, and we must give thanks to others and for our blessings.

My wish for you is to continue to explore and discover our amazing organization, and to recognize the power that you have individually, and our clubs have collectively, to improve--even save--lives! It's a powerful message and a powerful understanding.

The theme of our retreat is "One Mission." Improving lives through access to education IS the only mission we need to truly accomplish great things. Join us as we enjoy our coming days!

**Best wishes in all you do my friends,
Governor Penny Babb**
